Here are two questions for you to talk about – the youngest person asks everyone and then answers herself/himself:

- If aliens landed on earth tomorrow and offered to take you home with them, would you go? Why/Why not?
- You have to sing karaoke, what song do you pick?

Decide on a group name.

Find out who can make a handstand – those people must draw themselves in that position.

Find out who is the tallest in your group, who is the smallest? Try to show that in your drawing.

Make a very quick drawing of all group members – everyone draws him/herself

What is your favourite plant? – draw it next to you and tell the others about it

Decide who of your group uses an extra device for the kahoot game (mobile/tablet) - enter the game room with this device

Enter your group name

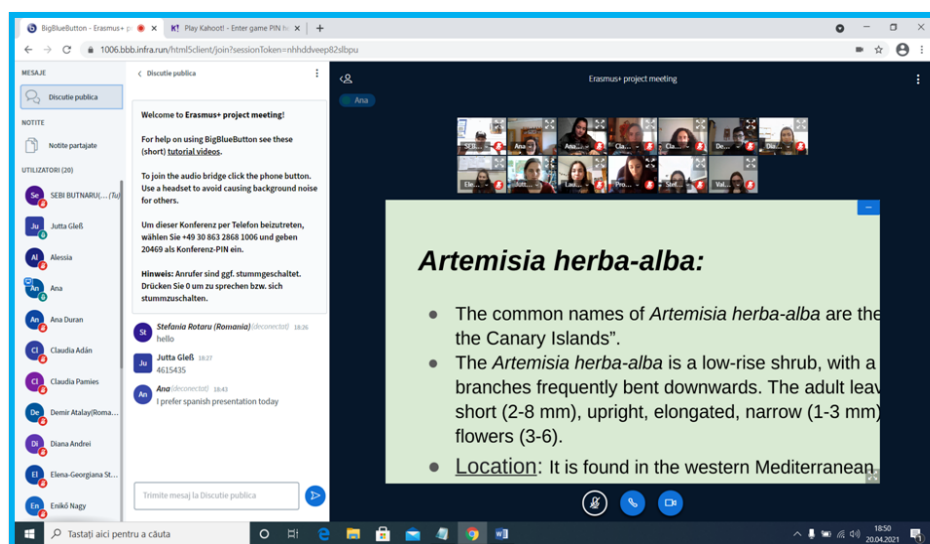

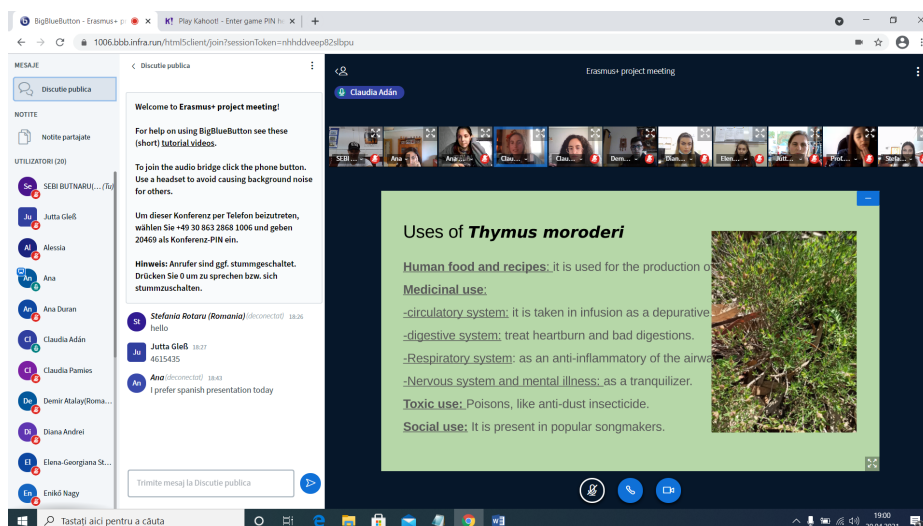

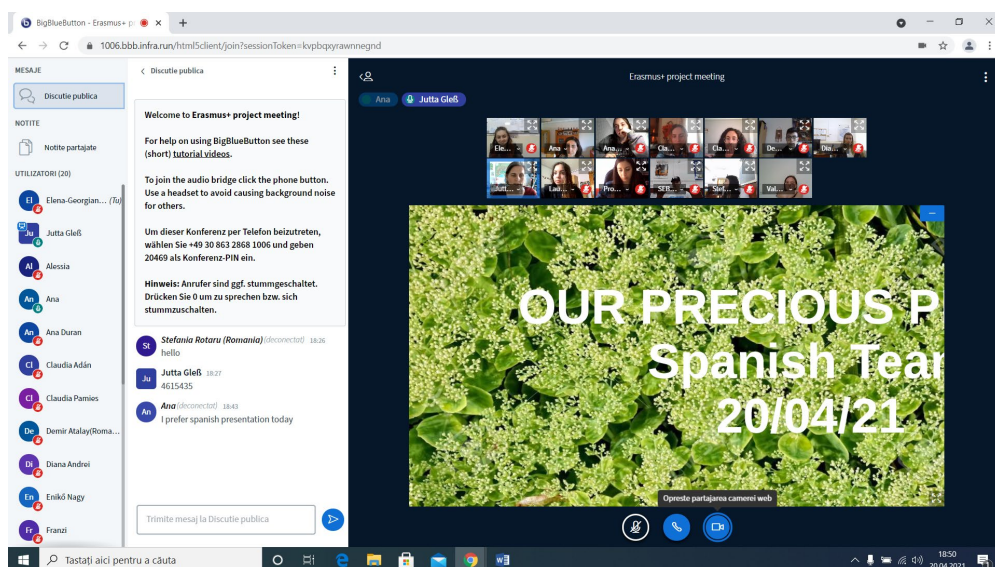

You discuss as a group which answer to pick

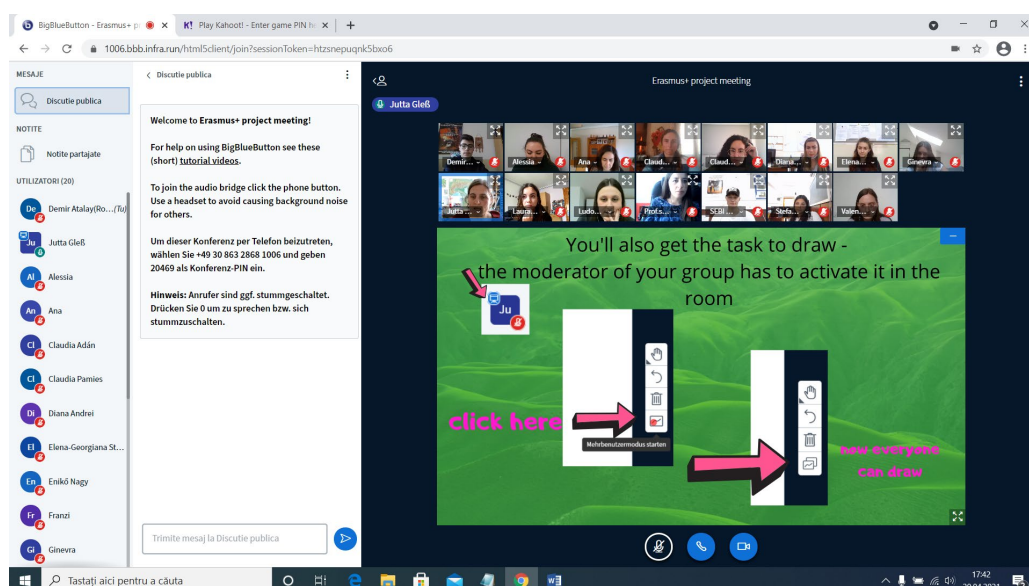

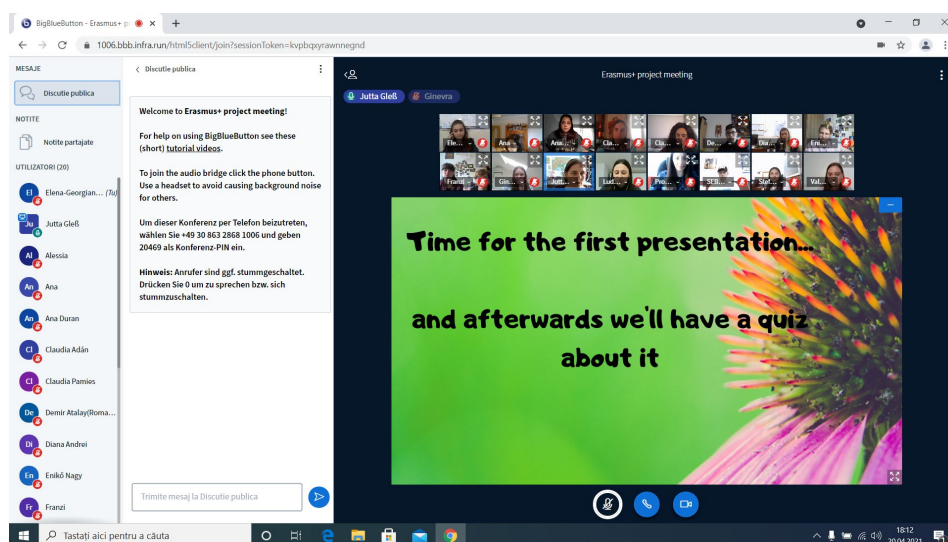

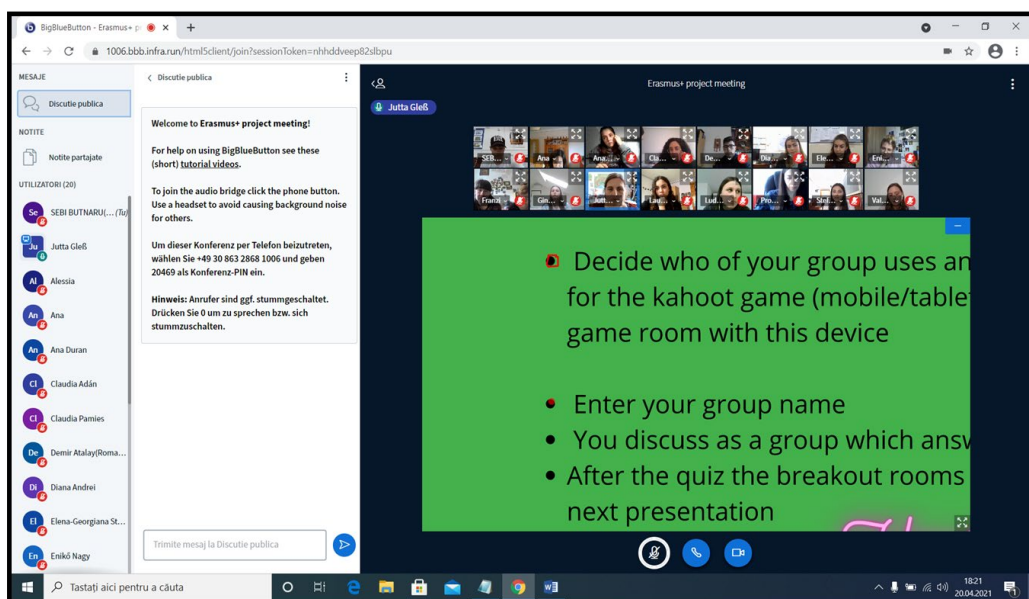

After the quiz the breakout rooms will end for the next presentation

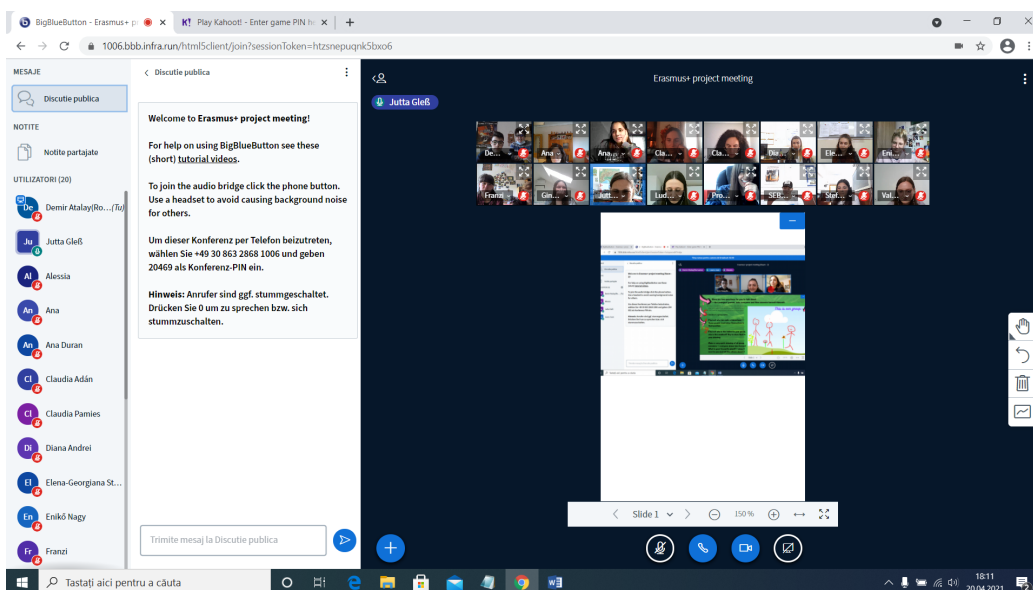

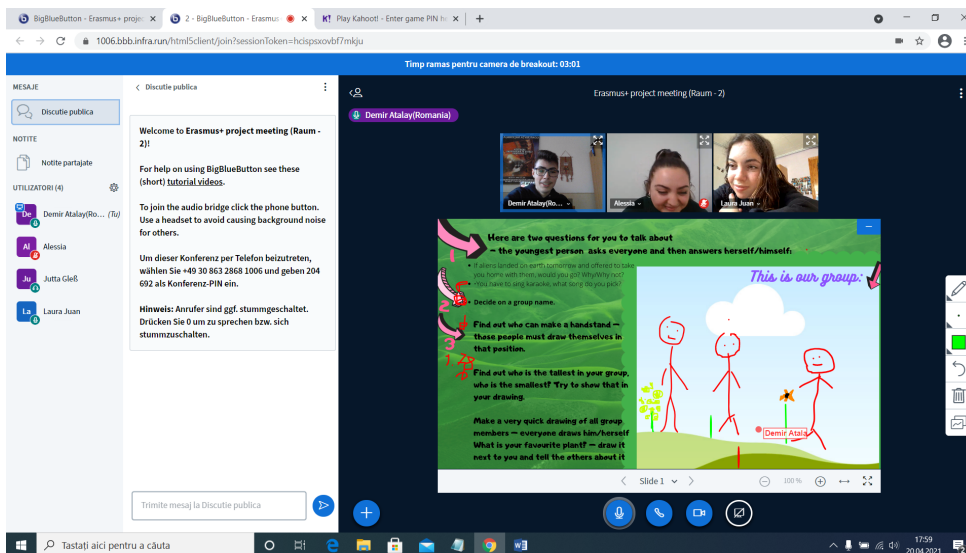

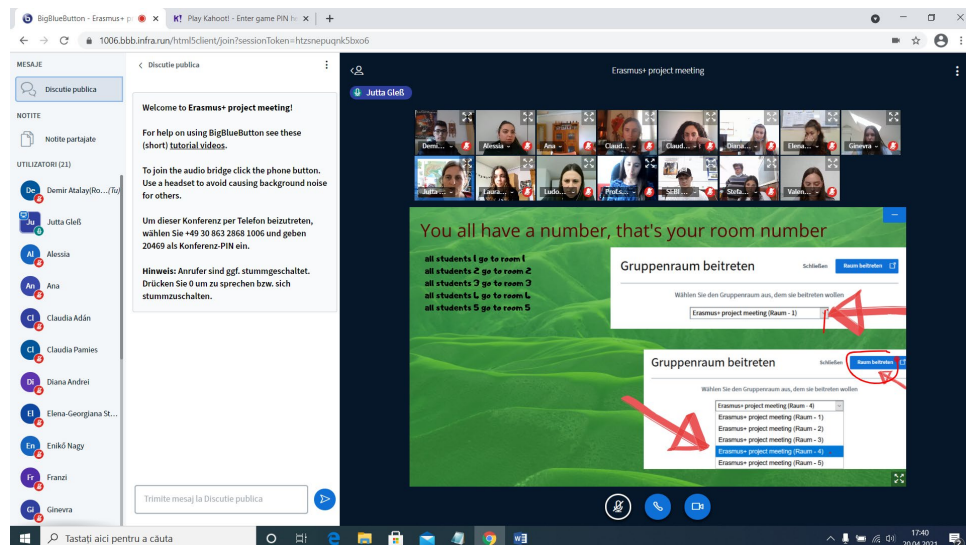

Have fun
